Subject to change based on investigations of the shooting incidents. Data for 2015 is attached as a PDF, scroll to the bottom of this page. The newest site in Sandtown-Winchester had four shootings in January--before its opening on March 17th, 2016. Recently, Police updated their police post boundaries, combining posts, deleting, or adding others. For the foreseeable future, Safe Streets will continue to use the established older post boundaries for its operations and evaluation.
